

## **IMPORTANT NOTE: DATA PROTECTION REQUIREMENTS**

The Data Protection rules are changing and if we are to avoid prosecution by adhering to them properly we need ALL our members (FEPOWs, Widows and Associate Members) to please email or write to Margaret indicating your agreement for us to hold your information.

If we do not have your agreement, we should legally delete you from our database – so if you wish to remain a member and continue receiving your Java Journals **PLEASE RESPOND!**

Please rest assured that The Java FEPOW Club's Membership details are ONLY shared between The Chairman, Treasurer and Editor of the Java Journal, Lesley, and The Secretary and Welfare Officer, Margaret. The database exchanges between us via password protected means and as you are already aware, if anyone else asks to make contact with you, we always ask your permission first.

The Royal British Legion and Veterans Agency will ask Margaret for details when making welfare claims and enquiries, to check eligibility etc, but this is always only after advice has been requested so our Clients will understand that we must furnish their information in order to receive grants.

If, for any reason, a FEPOW or widow is unable to sign the form, their Next of Kin or Power of Attorney can sign for them, indicating as such.
